Arthur C. Smith
Chairman, Department Committee on Graduate Theses

Acknowledgments

I would personally like to give my highest thanks to the sea sponge known as the SpongeBoy SquareTrousers. Without his help and support I wouldn't have been able to publish even the worst essay on Why Computer.

A Test Pub

Abstract: Here we have created a test pub to show how Pubs look when output to LaTeX.

Introduction

Here we introduce the subject matter and talk more about things like how screwed we are for instance. How bad things are in this world except for the internet. The internet is pretty cool. “Hassan Shaikley”¹

Why is the internet cool?

Because I said so. *ibid.*² Does that make sense? Or does it not make sense. *it better god damn make sense.*

Body

A wise man once said

I don’t want to live on this planet anymore.

Every day I wonder how to

```
var p = hassan.getLife()  
p.relaxCircumstance();
```
